

# Do You Know Who You Are?

*When we focus on the identity God's given us,  
His characteristics become evident in all we say and do.*

Can you recall a time when God's characteristics were evident in what you said or did? What happened?

What about a time when you let "self" take charge? What happened and did God get your attention? If so, how?

We'd love to hear from you. Be sure to drop a comment below or send us an email. We love to hear how God's working in your life. [contact@boughtataprize.com](mailto:contact@boughtataprize.com)
